

St. Brigid's Catholic Academy

Welcome to Summer 2017 and a World of Reading!

Our goal is to encourage students to read often and read widely, to investigate their own interests and enjoyable options in both fiction and nonfiction.

Establishing a habit of lifelong reading is critical to succeed in life. Students should pursue reading for enjoyment and we support it by providing suggestions to a wide selection of quality books. For this purpose, we have developed summer reading lists for our students that

Students are required to complete the reading worksheets which are due on the first day of school.

For each completed reading selection, students will be expected to take an Accelerated Reading Quiz within the first two weeks of school.

Enjoy your summer!

Ms. Lawler's ELA Class
