Summer reading list for Fourth Grade

For the fourth grade summer reading list I am requesting your child read all five books shown below.

As you are aware ST, Brigid participates in Accelerating Reading which requires your child to read 25 books in the school year. So for each book read, you are expected to complete a reader response. This is to include the title, authors name and a brief summary. Please write this in a marble notebook labeled AR Book. Your responses are to be brought to school on the first day of class. In this way you are given credit for your reading efforts.
